This glove complies with PPE Regulation 2016/425 on personal protective equipment, as amended to apply in GB.

Scope of protection

- Only for moderate hazards
- For hot parts at temperatures up to 50°C max.
- Normal weather conditions
- Do not use gloves next to moving machine parts!

Check

Protective gloves for tears and holes before each use.
Replace damaged gloves. Correctly fitting gloves are essential for ensuring the right level of protection and grip.

Use

Pull gloves onto clean, dry hands. Wear for the shortest possible time and for specific purposes. Do not share use of the gloves with other persons.
When pulling off the gloves, ensure that you do not touch the outside of the gloves with your bare hands and if necessary dry the gloves after use.
Select gloves in the suitable size according to the individual intended use.

Cleaning

Beat or brush down after use in accordance with the level of contamination.
Not washable!

Storage

Store at room temperature in a dry and well-ventilated area.
Avoid contact with sunlight and direct heat radiation.

Durability

The service life depends on the level of wear and intensity of use for the respective range of applications (3 years maximum).

Disposal

Via household waste. Comply with local regulations.

Conformity

Wünsche Fashion GmbH & Co. KG hereby declares that these gloves comply with PPE Regulation 2016/425 on personal protective equipment, as amended to apply in GB.
